AFFIDAVIT OF FREELAND ALVEY
POISON SPRING TO LONE CEDAR ROAD
GARFIELD COUNTY, UTAH
ROAD NUMBER 2151

State of Utah)
 : ss.
County of Garfield)

FREELAND ALVEY, being first duly sworn, deposes and states as follows:

1. I am an adult competent to testify about the matters set forth below based upon my personal knowledge. I currently reside in Escalante, Garfield County, Utah. I was born and raised in Garfield County and have lived in the county for 74 years. I worked for the Garfield County Roads Department for twelve years from the early 1950s to the mid 1960s.

2. I have traveled and am familiar with a road in Garfield County known as Poison Spring to Lone Cedar Road. I am also familiar with the land the road traverses. When I first used and observed the road in the early 1950s it followed the same route as in the mid 1960s when I last observed it. Attached is a Garfield County map showing Poison Spring to Lone Cedar Road. To the best of my knowledge and based upon my use of and familiarity with this road and the land it traverses, the location and route of the road are correctly illustrated on the attached map.

3. The County also identifies this road according to the road number listed above.

4. I have observed that the road has been open to the public for all to use, to come and go as they pleased, since at least as early as the early 1950s and continuing through the mid 1960s. Throughout this time period I observed travel on the road by means of cars, trucks, pickup trucks. During this time period, the road was used daily, weather permitting, for more than ten continuous years prior to 1976.

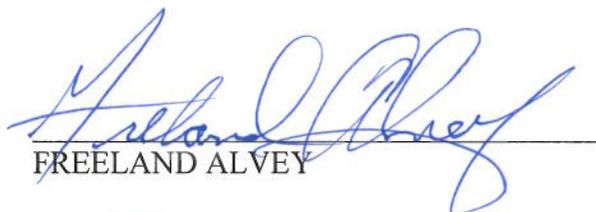

5. Throughout the time period from the early 1950s to the mid 1960s, I used the road myself for county road maintenance travel in and through the area.

6. Throughout the time period described in the previous paragraph, I have observed other vehicles from the general public using the road at various times for the uses described in the previous paragraph plus livestock operations, hunting, recreation, sightseeing, prospecting for minerals and oil and gas exploration.

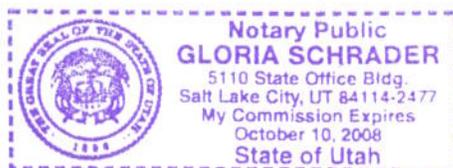

7. It is also the reputation in the community that this road has been open to the public for all to use, to come and go as they pleased, since at least as early as the early 1900s and continuing through 1976 to the present, for the uses described in the previous paragraphs.

8. Prior to 1976, I personally graded and performed maintenance and construction work on the road.

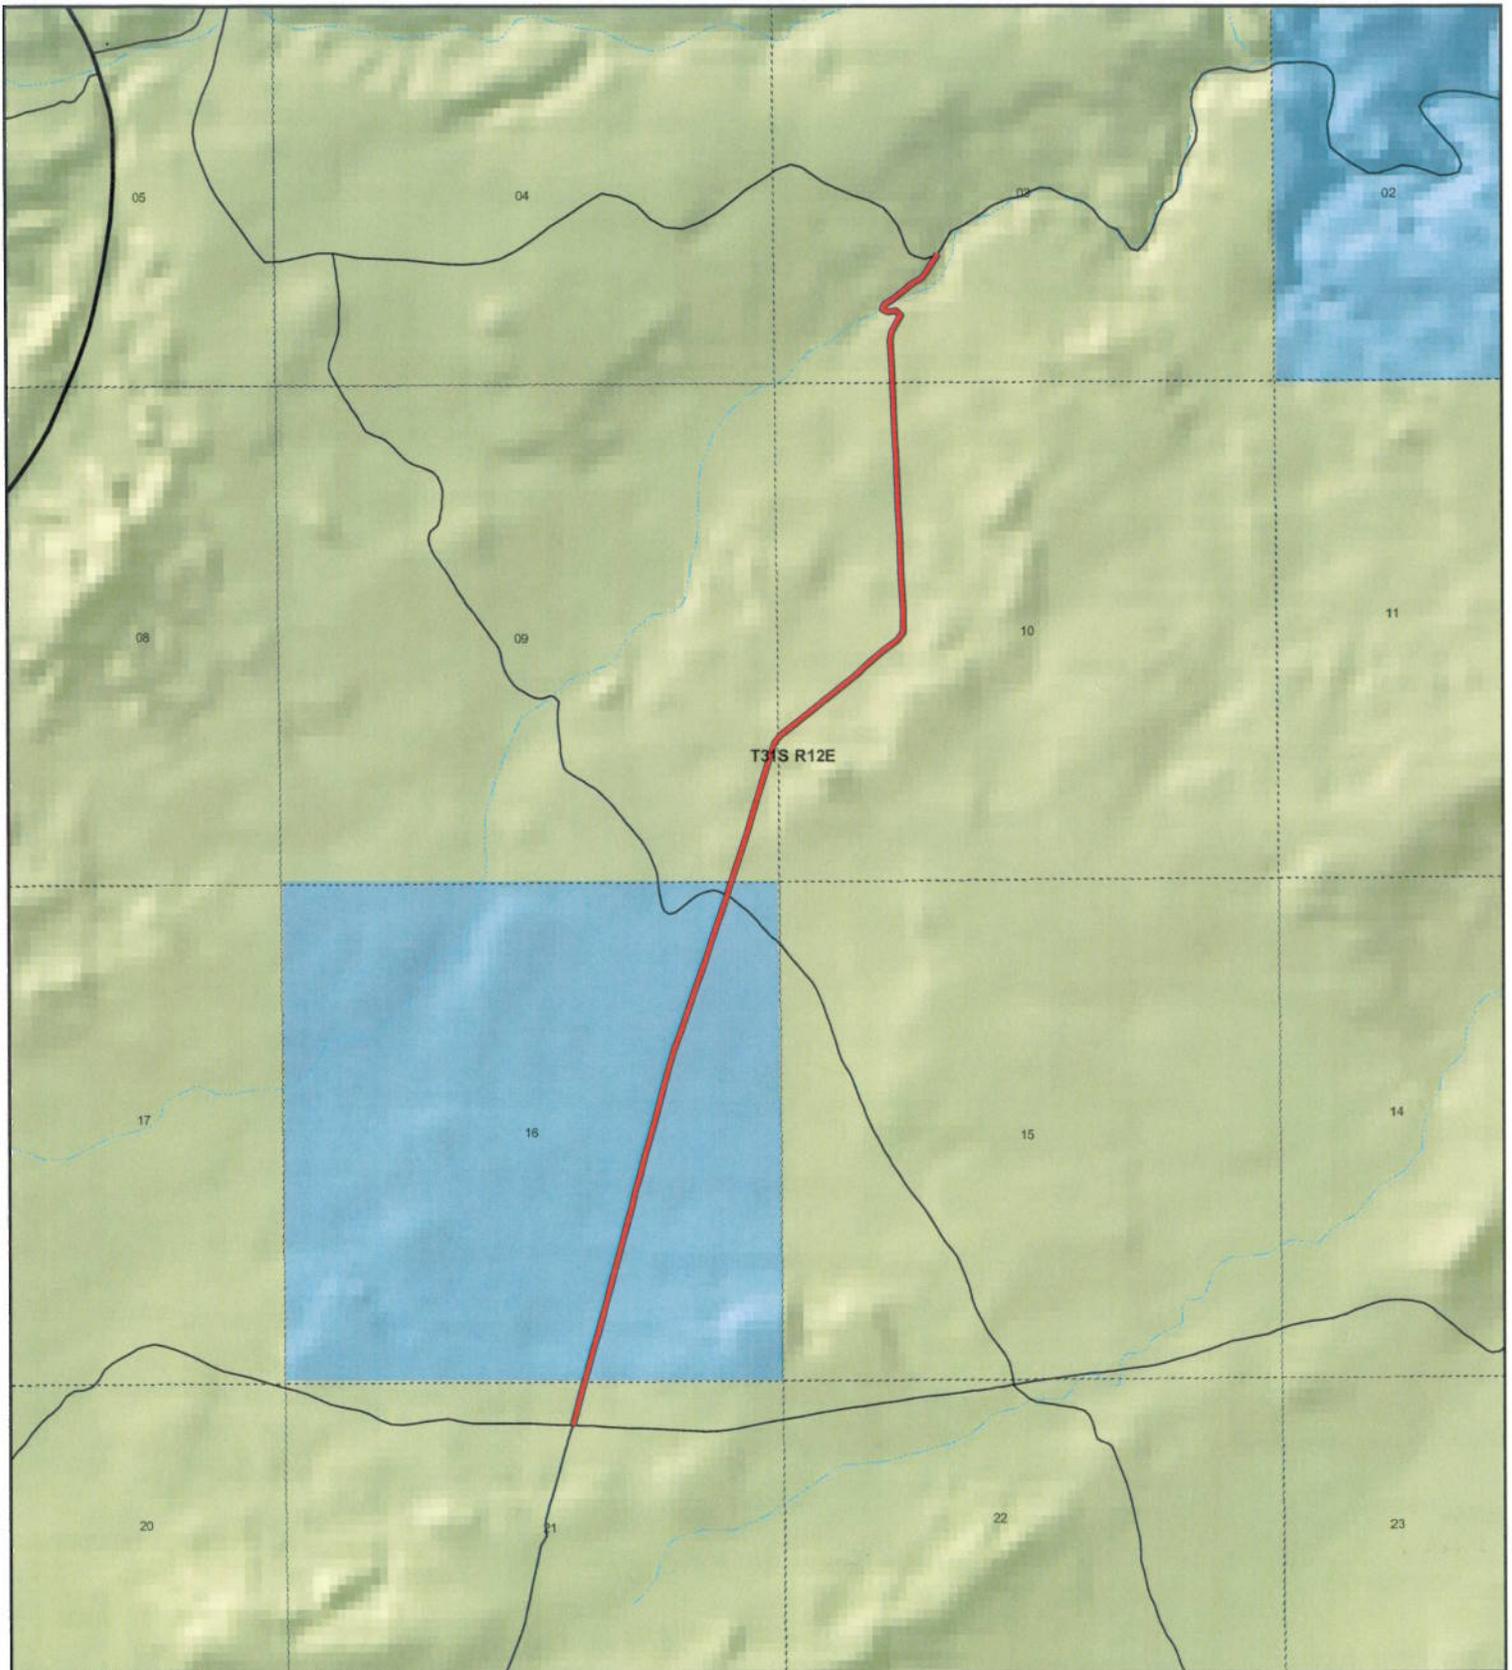

DATED this 11 day of July, 2007.

FREELAND ALVEY

SUBSCRIBED AND SWORN to before me this 11th day of July, 2007.

Road-Segment Number: 001

Road-Segment Length: 0.09 miles more or less.

Believed owner of the land underlying this road-segment is: Bureau of Land Management.

The following description is based upon the geographic coordinate system using the NAD83 Datum. The source is GPS mapping grade data as indicated in the metadata and/or the transportation data model of the State of Utah Geographic Information Database (SGID).

The road-segment itself is the monument that is identified by its physical presence on the land. The location of said physical presence is closely approximated by mapping grade Global Positioning System (GPS) data. Said data are checked against the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS) to verify a reasonable degree of accuracy. In circumstances where accurate satellite signal acquisition is not possible, such as deep, narrow canyons or under a canopy of dense foliage, or where very sharp curves in the road make accuracy questionable, such portions of the road were digitized from the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS).

This road-segment may traverse:
