**RICH COUNTY, UTAH**  
**RICH COUNTY D ROAD NO. AR72C**

State of Utah     )

County of Rich    )

I, CLAYTON WAMSLEY, testify and declare under oath as follows:

1. I am an adult competent to testify about the matters set forth in this affidavit. My testimony is based upon my personal knowledge and experience. I was born on February 25, 1928, in Garden City, Rich County, Utah. I have lived in Rich County all of my life and have been involved in ranching, on and off, in Rich County all of my life. From 1955 to 1992 I worked for the State of Utah for the Department of Transportation and provided assistance to the Game Warden.

2. I have traveled and am familiar with Rich County Road No. AR72C and the land it traverses.

3. I took the following steps to verify that the road I refer to in this affidavit and Rich County Road No. AR72C (the " Road") are the same road:

a. I examined a large Rich County map depicting the Road in relation to other roads, intersections and landmarks. I initialed the Road on the large map verifying that it is accurately depicted on the map and it is the road I refer to herein.

b. I examined the map attached to this affidavit depicting the Road and surrounding area and verified that the Road is accurately depicted on the map and is the road I refer to herein.

c. I viewed aerial photography of the Road, as well as ground photography, and verified that the aerial and ground photography accurately depict the road I refer to in this affidavit.

4. I have personally traveled the Road from the early 1960s through 1976 and continuing until 2006, (“the Time Period of My Experience”). It is the reputation in the community that the Road was traveled as early as the early 1960s, prior to my earliest recollection.

5. When I last traveled and observed the Road in 2006, it appeared to follow the same route as in the early 1960s, when I first traveled and observed it.

6. During the Time Period of My Experience the Road has been traveled monthly, weather permitting.

7. During the Time Period of My Experience I have personally traveled the Road by various means, including pickup truck, and I have observed others from the general public traveling it by the same means, plus ATVs.

8. During the Time Period of My Experience I have personally used the Road for hunting and wildlife management for the state and I have observed others from the general public using the Road for the same purposes, plus livestock operations.

**Popular Name: AR72C**

**State Geographic Information Database (SGID) Road Identification Number: RD170540.**

**Road-Segment Number: 001**

**Road-Segment Length: 0.27 miles more or less.**

**Believed owner of the land underlying this road-segment is: Bureau of Land Management.**

*The following description is based upon the geographic coordinate system using the NAD83 Datum. The source is GPS mapping grade data as indicated in the metadata and/or the transportation data model of the State of Utah Geographic Information Database (SGID).*

The road-segment itself is the monument that is identified by its physical presence on the land. The location of said physical presence is closely approximated by mapping grade Global Positioning System (GPS) data. Said data are checked against the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS) to verify a reasonable degree of accuracy. In circumstances where accurate satellite signal acquisition is not possible, such as deep, narrow canyons or under a canopy of dense foliage, or where very sharp curves in the road make accuracy questionable, such portions of the road were digitized from the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS).

This road-segment may traverse:

Township 11 North Range 5 East, Section(s) 25, Salt Lake Base & Meridian

The following description closely approximates the location of the centerline of the physical monument (AR72C)-- Segment 001 based on mapping grade Global Positioning System (GPS) data as defined above:
