COUNTY ROAD NUMBER 6029

State of Utah)
 : ss.
County of Sevier)

CHAD BEACH, being first duly sworn, deposes and states as follows:

1. I am an adult competent to testify about the matters set forth below based upon my personal knowledge. I currently reside in Salina City, Sevier County, Utah. I have lived in Sevier County for 61 years.
2. I have traveled and am familiar with a road in Sevier County known as the Willowcreek South Road. I am also familiar with the land the road traverses. When I first used and observed the road in 1960, it followed the same route as in 2005 when I last observed it. Attached is a Sevier County map showing the Willowcreek South Road. To the best of my knowledge and based upon my use of and familiarity with this road and the land it traverses, the location and route of the road are correctly illustrated on the attached map.
3. I am informed that the County also identifies this road according to the road number listed above.
4. I have observed that the road has been open to the public for all to use, to come and go as they pleased, since at least as early as 1960 and continuing through 1976 to 2005. Throughout this time period I have observed travel on the road by various means, including motorcycles, pickup trucks, ATV's, commercial vehicles, and semi-trailer trucks. Throughout this time period, the road has been used weekly.
5. Throughout the time period from 1960 to 2005, I have used the road myself for the following uses: hunting, wood gathering, and recreation.

AFFIDAVIT OF H. ELWOOD SORENSON

WILLOWCREEK SOUTH

SEVIER COUNTY, UTAH

COUNTY ROAD NUMBER 6029, UNIQUE IDENTIFIER RS2477

State of Utah)

County of Sevier)

1. I am an adult competent to testify about the matters set forth below based upon my personal knowledge. I currently reside in Sanpete County, Utah. I have lived in Sanpete County since I was born in 1922 and have been here except for the 5 years when I served in the military during World War II.

2. I have traveled and am familiar with a road in Sevier County known to me as the Willowcreek South. I am also familiar with the land the road traverses. When I first used and observed the road in 1930's, it followed the same route as in present time when I last observed it. Attached is a Sevier County map showing the Willowcreek South. To the best of my knowledge and based upon my use of and familiarity with this road and the land it traverses, the location and route of the road are correctly illustrated on the attached map. I have traveled this road in my teens and early adult years; I rode it with my older brother who was a rider for the cattle association. During the 1930's this area was the known location of potential range wars between the sheep and cattlemen due to drought conditions.

3. I am informed that the County also identifies this road according to the road number and unique identifier listed above.

4. I have observed that the road has been open to the public for all to use, to come and go as they pleased, since at least as early as the 1930's and continuing through 1976 to the present time. During this time period I have observed travel on the road by various means, including ATV's, and pickups. During this time period, the road has been used weekly.

5. During the time period from 1930's to the present, I have used the road myself for the following uses: hunting, recreation, logging and wood gathering

6. During the time period as described in the previous paragraphs, I observed vehicles using the road at various times for the uses described in the previous paragraphs, plus the following uses: sheep herding from the 1930's to the last few years; goat herding in the 1930's; hunting and wood gathering. In addition in the 1960's there was some oil exploration in the area.

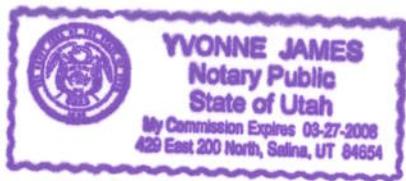

7. It is also the reputation in the community that this road has been open to the public for all to use, to come and go as they pleased, since at least as early as 1930's and continuing through 1976 to the present, for the uses described in the previous paragraphs.

8. I observed the following evidence of maintenance/construction activities on the road prior to 1976 by road graders and other road equipment and by the passing of motorized vehicles over the roadway. I know this because I personally observed Sevier County Road Department maintain the road as well as the BLM.
