GAIL F. PARKER, being first duly sworn, deposes and states as follows:

1. I am an adult competent to testify about the matters set forth below based upon my personal knowledge. I currently reside in Ibapah, Tooele County, Utah. I have lived in Tooele and Juab Counties in the Callao and Ibapah areas for the past 50 years.

2. I have traveled and am familiar with a road in Tooele County known as Gold Hill Cutoff Road. I am also familiar with the land the road traverses. When I first used and observed the road in the early 1950s it followed the same route as in 2007. Attached is a Tooele County map showing Gold Hill Cutoff Road. I know the road as part of the Gold Hill Cutoff Road. I have a grazing allotment adjacent to the road on both sides. To the best of my knowledge and based upon my use of and familiarity with this road and the land it traverses, the location and route of the road are correctly illustrated on the attached map.

3. The County also identifies this road according to the road number listed above.

4. I have observed that the road has been open to the public for all to use, to come and go as they pleased, since at least as early as the early 1950s and continuing through 2007. Throughout this time period I observed travel on the road by means of cars, pickup trucks and ATVs. During this time period, the road was used daily, for more than ten continuous years prior to 1976 and was so used in 2007.

5. Throughout the time period from the late 1950s to 2007, I have used the road myself for livestock operations, hunting and recreation.

6. Throughout the time period described in the previous paragraph, I have observed other vehicles from the general public using the road at various times for the uses described in the previous paragraph, plus mining, sightseeing and recreation.

7. It is also the reputation in the community that this road has been open to the public for all to use, to come and go as they pleased, since at least as early as the early 1900s and continuing through 1976 to the present, for the uses described in the previous paragraphs.

8. Prior to 1976, I observed graders and other equipment performing maintenance and construction activities on the road.

DATED this 30 day of August, 2007.

Appendix A to Attachment 4

Popular Name: Gold Hill Cutoff Road

County: Tooele

County Road Number: tc00281

State Geographic Information Database (SGID) Road Identification Number: RD230013.

Road-Segment Number: 001

Road-Segment Length: 0.88 miles more or less.

Believed owner of the land underlying this road-segment is: Bureau of Land Management.

The following description is based upon the geographic coordinate system using the NAD83 Datum. The source is GPS mapping grade data as indicated in the metadata and/or the transportation data model of the State of Utah Geographic Information Database (SGID).

The road-segment itself is the monument that is identified by its physical presence on the land. The location of said physical presence is closely approximated by mapping grade Global Positioning System (GPS) data. Said data are checked against the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS) to verify a reasonable degree of accuracy. In circumstances where accurate satellite signal acquisition is not possible, such as deep, narrow canyons or under a canopy of dense foliage, or where very sharp curves in the road make accuracy questionable, such portions of the road were digitized from the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS).

This road-segment may traverse:

Township 8 South Range 18 West, Section(s) 22,27, Salt Lake Base & Meridian

The following description closely approximates the location of the centerline of the physical monument (Gold Hill Cutoff Road)-- Segment 001 based on mapping grade Global Positioning System (GPS) data as defined above:
