1. I am an adult competent to testify about the matters set forth below based upon my personal knowledge. I currently reside in Tooele, Tooele County, Utah. I have lived in Tooele County for most of the past 76 years. I was employed by the Tooele County Road Department from 1963 to 1993.

2. I have traveled and am familiar with a road in Tooele County known as Smiths Road. I am also familiar with the land the road traverses. When I first used and observed the road in the early 1960s it followed the same route as in the early 1990s when I last observed it. Attached is a Tooele County map showing Smiths Road. To the best of my knowledge and based upon my use of and familiarity with this road and the land it traverses, the location and route of the road are correctly illustrated on the attached map.

3. The County also identifies this road according to the road number listed above.

4. I have observed that the road has been open to the public for all to use, to come and go as they pleased, since at least as early as the early 1960s and continuing through the early 1990s. Throughout this time period I observed travel on the road by means of livestock trucks and pickup trucks. During this time period, the road was used weekly, for more than ten continuous years prior to 1976 and was so used in the early 1990s.

5. Throughout the time period from the early 1960s to the early 1990s, I have used the road myself for county road maintenance and travel through the area.

6. Throughout the time period described in the previous paragraph, I have observed other vehicles from the general public using the road at various times for the uses described in the previous paragraph, plus livestock operations, government access and hunting.

7. It is also the reputation in the community that this road has been open to the public for all to use, to come and go as they pleased, since at least as early as the early 1960s and continuing through 1976 to the present, for the uses described in the previous paragraphs.

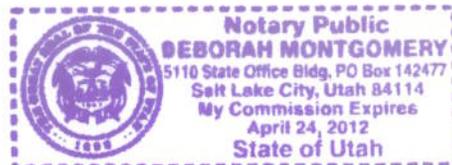

8. Prior to 1976, I graded and performed maintenance and construction activities on the road.

DATED this 6 day of June, 2008.

## Appendix A to Attachment 4

**Popular Name: Smiths Road**

**County: Tooele**

**County Road Number: tc02242**

**State Geographic Information Database (SGID) Road Identification Number: RD230046.**

**Road-Segment Number: 001**

**Road-Segment Length: 1.09 miles more or less.**

**Believed owner of the land underlying this road-segment is: Bureau of Land Management.**

*The following description is based upon the geographic coordinate system using the NAD83 Datum. The source is GPS mapping grade data as indicated in the metadata and/or the transportation data model of the State of Utah Geographic Information Database (SGID).*

The road-segment itself is the monument that is identified by its physical presence on the land. The location of said physical presence is closely approximated by mapping grade Global Positioning System (GPS) data. Said data are checked against the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS) to verify a reasonable degree of accuracy. In circumstances where accurate satellite signal acquisition is not possible, such as deep, narrow canyons or under a canopy of dense foliage, or where very sharp curves in the road make accuracy questionable, such portions of the road were digitized from the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS).

This road-segment may traverse:

Township 1 North Range 11 West, Section(s) 23,24, Salt Lake Base & Meridian

The following description closely approximates the location of the centerline of the physical monument (Smiths Road)-- Segment 001 based on mapping grade Global Positioning System (GPS) data as defined above:
