WOODS CANYON ROAD

UINTAH COUNTY, UTAH

COUNTY ROAD NUMBER 5470

State of Utah)
 : ss
County of Uintah)

NEAL DOMGAARD, being first duly sworn, deposes and states as follows:

1. I am an adult competent to testify about the matters set forth below based upon my personal knowledge. I currently reside in Uintah County, Utah. I have lived in Uintah County 74 years.

2. I have traveled and am familiar with a road in Uintah County known as the Woods Canyon Road. I am also familiar with the land the road traverses. When I first used and observed the road in the 1940s, it followed the same route as in 2006 when I last observed it. Attached is a Uintah County map showing Woods Canyon Road. To the best of my knowledge and based upon my use of and familiarity with this road and the land it traverses, the location and route of the road are correctly illustrated on the attached map.

3. I am informed that the County identifies this road according to the road number described above.

4. I have observed that the road has been open to the public for all to use, to come and go as they pleased, since at least as early as the 1940s and continuing through 1976 to 2006. During this time period I have observed travel on the road primarily pickup trucks. During this time period, the road has been used daily.

5. During the time period from the 1940s to 2006, I have used the road myself for hunting, wood cutting and traveling in and through the area.

6. During the time period described in the previous paragraph, I observed vehicles using the road at various times for the uses described in the preceding paragraph, plus farming and livestock operations.

7. It is also the reputation in the community that this road has been open to the public for all to use, to come and go as they pleased, since at least as early as the 1940s and continuing through 1976 to the present, for the uses described in the previous paragraphs.

8. I observed the following evidence of construction and maintenance performed on the road prior to 1976: grader marks cuts and fills on the road since the 1940s. When I was County Commissioner from 1976 to 1986, I personally authorized grading and maintenance on the road.

Dated this 16 day of October, 2006.
