By GOVERNOR OF STATE OF UTAH

THE STATE OF UTAH

TO ALL WHOM THESE PRESENTS SHALL COME, Greeting:

Know ye, This is an Acknowledgment and Notice of Acknowledgment made under Utah Code Sections 72-5-309 through 310 inclusive, that the grant of the United States of America of “the right of way for the construction of highways over public lands, not reserved for public uses” under United States Revised Statutes 2477 (43 U.S.C. Section 932 (repealed October 21, 1976, with proviso recognizing the validity of rights-of-way already established)) was accepted for and on behalf of the State of Utah and its political subdivision Washington County as it pertains to the highway located in Washington County known as ROD'S CAMP ROAD; County Road Number: 0124; State Geographic Information Database (SGID) Road Identification Number: RD270124. Total road length is 0.37 miles more or less.

The reason for this Acknowledgment and Notice of Acknowledgment includes, but is not limited to, the fact that the road was constructed, mechanically, or by continuous use as a public highway for a period of at least ten years, over public lands not reserved for public uses, prior to the earlier of (a) the October 21, 1976 repeal of R.S. 2477 or (b) the date the servient estate was reserved for public uses.

This Acknowledgment and Notice of Acknowledgment applies only to the segments of the road that traverse land owned by the Bureau of Land Management, United States Department of the Interior, and does not apply to segments of the road that traverse land owned by any other person or entity. The State of Utah and its political subdivisions reserve the right to make further acknowledgments and notices of acknowledgment with regard to road segments that traverse land owned by other entities, including the United States of America, through one or more of its agencies.

A printed copy of a map showing the location of the road in said county is appended hereto as “Attachment 1,” a printed copy of representative photos of the road is appended hereto as “Attachment 2,” a printed copy of a description of the beginning and ending points of the entire road together with a list of Townships, Ranges and Sections that may be traversed by the road in said county is appended hereto as “Attachment 3,” and a printed copy of the Road Centerline Description Cover Page(s) is appended hereto as “Attachment 4.” The Appendices listed in “Attachment 4” that contain the actual road centerline descriptions are incorporated herein by reference. Affidavits provided by individuals familiar with the road are appended hereto as “Attachment 5.”

A printed copy of this Acknowledgment and Notice of Acknowledgment, together with its Attachments and Appendices, may be viewed and/or obtained at the office of the Utah State Archives.

An electronic copy of this Acknowledgment and Notice of Acknowledgment, together with its Attachments and Appendices, may be viewed and/or downloaded as read-only PDF (Portable Document Format) files via the

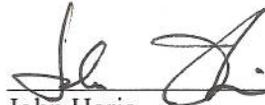

Internet at <http://recorded2477roads.utah.gov>.

The owner of the servient estate in the land underlying the road-segments subject to this Acknowledgment and Notice is believed to be the United States of America through one or more of its agencies. Any of such agencies or any other person with a servient ownership claim or a competing dominant estate right-of-way ownership claim, may file a petition in the State District Court for Salt Lake County for a decision regarding the correctness of this Acknowledgment. A claimant shall file a petition within sixty (60) days after receipt of this Notice.

In Witness Whereof, I, John Harja, the official designee of the Governor of the State of Utah, in conformity to the laws of the State (Utah Code Sections 72-5-308 through 310 inclusive), have caused this Acknowledgment and Notice of Acknowledgment to be made.

Signed by my hand in Salt Lake City, Utah, the 23rd day of APRIL, 2008.

By the Governor's Designee

John Harja

on the attached map. The County also identifies this road according to the road number listed above.

3. I have observed that the road has been open to the public for all to use, to come and go as they pleased, since at least as early as 1940, and continuing through 1976 to 2006. Throughout this time period I have observed travel on the road by private pickup trucks, jeeps, stock trucks, motorcycles other motor vehicles, and also by horse and wagon. Throughout this time period, the road has been used daily for more than ten continuous years prior to 1976, and it is presently used daily.

4. Throughout the time period from 1940 to 2006, I have used the road myself at least weekly, weather permitting, for livestock operations, wood gathering, sight seeing, prospecting, trapping, and hunting.

5. Throughout the time period described in the previous paragraph, I observed vehicles using the road at various times for the uses described in the previous paragraph, plus government access, mining and prospecting, tourism, recreation such as camping, picnicking, hiking, and traveling in and through the general areas.

6. It is also my understanding that it is the reputation in the community that this road has been open to the public for all to use, to come and go as they pleased as early as 1940 and continuing through 1976 to 2006, for the uses described in the previous paragraphs.

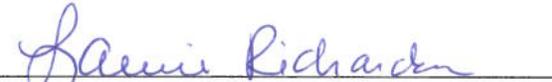

7. Prior to 1976, I observed general repairs, maintenance and/or construction activities of the road by Washington County. I observed cattle guards, berms, gravel,

culverts, graded and raised surfaces, cuts and fills, grader marks, and flood and repair work on the road on an as-needed-basis.

for some diversion due to flooding. The County also identifies this road according to the road number listed above.

3. I have observed that the road has been open to the public for all to use, to come and go as they pleased, since the 1940s, and continuing through 1976 to the present. Throughout this time period I have observed travel on the road by trucks, jeeps, stock trucks, and other motor vehicles, including more recently, ATVs. Throughout this time period, the road has been used regularly for more than ten continuous years prior to 1976, and it is presently used on a regular basis, weather permitting. The road is used more on weekends, holidays and during hunting seasons.

4. Throughout the time period from the early 1940s to the present, I have used the road myself for hunting, and recreation such as camping, hiking, and sight seeing.

5. Throughout the time period described in the previous paragraphs, I observed vehicles using the road at various times for the uses described in the previous paragraphs, plus homesteading, farming, commerce, mining and prospecting, wood gathering, general recreation and tourism, government access, and travel in and through the general areas.

6. It is also the reputation in the community that this road has been open to the public for all to use, to come and go as they pleased since before 1915, and continuing through 1976 to the present, for the uses described in the previous paragraphs. My father told me on several occasions that the road was open before his 1915 homestead was established.

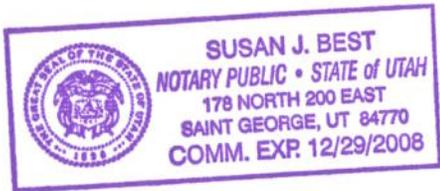

7. Prior to 1976, I occasionally observed Washington County and private graders on the road. I observed general repairs and maintenance of the road. I observed cattle guards,

where needed, cuts and fills, grader marks, culverts, and flood repair work, on an as-needed-basis.

Appendix A to Attachment 4

Popular Name: ROD'S CAMP ROAD

County: Washington

County Road Number: 0124

State Geographic Information Database (SGID) Road Identification Number: RD270124.

Road-Segment Number: 001

Road-Segment Length: 0.37 miles more or less.

Believed owner of the land underlying this road-segment is: Bureau of Land Management.

The following description is based upon the geographic coordinate system using the NAD83 Datum. The source is GPS mapping grade data as indicated in the metadata and/or the transportation data model of the State of Utah Geographic Information Database (SGID).

The road-segment itself is the monument that is identified by its physical presence on the land. The location of said physical presence is closely approximated by mapping grade Global Positioning System (GPS) data. Said data are checked against the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS) to verify a reasonable degree of accuracy. In circumstances where accurate satellite signal acquisition is not possible, such as deep, narrow canyons or under a canopy of dense foliage, or where very sharp curves in the road make accuracy questionable, such portions of the road were digitized from the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS).

This road-segment may traverse:

Township 40 South Range 17 West, Section(s) 4,5, Salt Lake Base & Meridian

The following description closely approximates the location of the centerline of the physical monument (ROD'S CAMP ROAD)-- Segment 001 based on mapping grade Global Positioning System (GPS) data as defined above:
