This Acknowledgment and Notice of Acknowledgment applies only to the segments of the road that traverse land owned by the Bureau of Land Management, United States Department of the Interior, and does not apply to segments of the road that traverse land owned by any other person or entity. The State of Utah and its political subdivisions reserve the right to make further acknowledgments and notices of acknowledgment with regard to road segments that traverse land owned by other entities, including the United States of America, through one or more of its agencies.

A printed copy of a map showing the location of the road in said county is appended hereto as “Attachment 1,” a printed copy of representative photos of the road is appended hereto as “Attachment 2,” a printed copy of a description of the beginning and ending points of the entire road together with a list of Townships, Ranges and Sections that may be traversed by the road in said county is appended hereto as “Attachment 3,” and a printed copy of the Road Centerline Description Cover Page(s) is appended hereto as “Attachment 4.” The Appendices listed in “Attachment 4” that contain the actual road centerline descriptions are incorporated herein by reference. Affidavits provided by individuals familiar with the road are appended hereto as “Attachment 5.”

3. I have observed that the road has been open to the public for all to use, to come and go as they pleased, since at least 1960, and continuing through 1976 to the present. Throughout this time period I have observed travel on the road by trucks, jeeps, stock trucks and other motor vehicles. Throughout this time period, the road has been used daily for more than ten continuous years prior to 1976, and it is presently used on a daily basis, weather permitting.

4. Throughout the time period from 1960 to the present, I have used the road myself for hunting, camping, hiking, sight seeing, wood gathering, government access for my job, and trapping.

5. Throughout the time period described in the previous paragraphs, I observed vehicles using the road at various times for the uses described in the previous paragraphs, plus livestock operations, commerce, mining and prospecting, recreation and tourism, and travel in and through the general areas.

6. It is also the reputation in the community that this road has been open to the public for all to use, to come and go as they pleased as early as 1900, when pioneers traveled the road, and continuing through 1976 to the present, for the uses described in the previous paragraphs.

7. Prior to 1976, I occasionally observed graders and road crews from Washington County on the road. I observed general repairs and maintenance of the road.

guards, berms, cuts and fills, grader marks, culverts, flood repair work, and gated areas, where necessary.

3. I have observed that the road has been open to the public for all to use, to come and go as they pleased, since 1964, and continuing through 1976 to 2006.

Throughout this time period I have observed travel on the road by private pickup trucks, jeeps, stock trucks, motorcycles, and other motor vehicles. Through out this time period, the road has been used daily for more than ten continuous years prior to 1976, and it is presently used daily.

4. Throughout the time period from 1964 to 2006, I have used the road myself, occasionally, weather permitting, for wood gathering, sight seeing and hunting.

5. Throughout the time period described in the previous paragraph, I observed vehicles using the road at various times for uses described in the previous paragraph, plus government access; trapping; livestock operations; mining; prospecting; tourism; and recreation, such as camping, picnicking, hiking, and traveling in and through the general areas.

6. It is also my understanding that it is the reputation in the community that this road has been open to the public for all to use, to come and go as they pleased since the early pioneer settlers arrived, and continuing through 1976 to 2006, for the uses described in the previous paragraphs.

7. Prior to 1976, I observed general repairs, maintenance and/or construction activities of the road by Washington County. I observed parked graders, cattle guards, berms, gravel, culverts, graded and raised surfaces, cuts and fills, grader marks, and flood and repair work on the road on an as-needed-basis. I occasionally observed Washington County graders on the road.

**Popular Name: SHEEP BRIDGE ROAD**

**County: Washington**

**County Road Number: 0397**

**State Geographic Information Database (SGID) Road Identification Number: RD270397.**

**Road-Segment Number: 001**

**Road-Segment Length: 0.21 miles more or less.**

**Believed owner of the land underlying this road-segment is: Bureau of Land Management.**

*The following description is based upon the geographic coordinate system using the NAD83 Datum. The source is GPS mapping grade data as indicated in the metadata and/or the transportation data model of the State of Utah Geographic Information Database (SGID).*

The road-segment itself is the monument that is identified by its physical presence on the land. The location of said physical presence is closely approximated by mapping grade Global Positioning System (GPS) data. Said data are checked against the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS) to verify a reasonable degree of accuracy. In circumstances where accurate satellite signal acquisition is not possible, such as deep, narrow canyons or under a canopy of dense foliage, or where very sharp curves in the road make accuracy questionable, such portions of the road were digitized from the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS).

This road-segment may traverse:

## Appendix C to Attachment 4

**Popular Name: SHEEP BRIDGE ROAD**

**County: Washington**

**County Road Number: 0397**

**State Geographic Information Database (SGID) Road Identification Number: RD270397.**

**Road-Segment Number: 006**

**Road-Segment Length: 1.04 miles more or less.**

**Believed owner of the land underlying this road-segment is: Bureau of Land Management.**

*The following description is based upon the geographic coordinate system using the NAD83 Datum. The source is GPS mapping grade data as indicated in the metadata and/or the transportation data model of the State of Utah Geographic Information Database (SGID).*

The road-segment itself is the monument that is identified by its physical presence on the land. The location of said physical presence is closely approximated by mapping grade Global Positioning System (GPS) data. Said data are checked against the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS) to verify a reasonable degree of accuracy. In circumstances where accurate satellite signal acquisition is not possible, such as deep, narrow canyons or under a canopy of dense foliage, or where very sharp curves in the road make accuracy questionable, such portions of the road were digitized from the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS).

This road-segment may traverse:

Township 41 South Range 12 West, Section(s) 28,29, Salt Lake Base & Meridian

The following description closely approximates the location of the centerline of the physical monument (SHEEP BRIDGE ROAD)-- Segment 006 based on mapping grade Global Positioning System (GPS) data as defined above:
